

# Been a Long Day

Rosi Golan

It's been a long day  
And all I've got to say is make it strong  
It's been a long day  
And all I've got to say is I've been wrong  
So take a leave of absence  
Tell me you'll be gone  
I don't want to see your face  
It's been a long day  
And I just want to hide away  
It's been a long week  
And all the lines come down heavy on me  
It's been a long week  
I'm finally feeling like it's okay to break  
into a thousand pieces  
no one can replace  
only I can find my way  
It's been long day  
And I just want to hideaway  
It's been a long year  
And everyone around me's disappeared  
It's been a long year  
And all this mess around me's finally cleared  
So can I have a moment just to say hello  
Can you let your anger go?  
It's been a long year  
And I'm finally ready to be here...
