

# Sad Song

Christina Perri

Today I'm write a sad song  
gonna make it really long  
so that everyone can see  
that im very unhappy I wish i wasnt always wrong  
I wish it wasnt always my fault  
the finger that your pointing  
has knocked me on my knees  
and all you need to know is  
im so sorry  
it's not like me  
it's maturity that im lacking  
so dont, dont let me go  
just let me know  
that growing up goes slow  
Wonder what my mom and dad would say  
if i told them that i cry each day  
tired enough to live so far away I wish I wasn't always cold  
I wish I wasn't always alone  
but the parties over  
how will I get home And all you need to know is im so sorry  
it's not like me  
it's maturity that I'm lacking  
so don't, don't let me go  
just let me know  
that growing up goes slow For the rules are meant to bend  
and you swore you were my friend  
now i have to start all over again  
no ones gonig to take your place  
and I'm scared you'll never save  
all the peices of the love we made  
And I'm so sorry its not like me  
it's maturity that I'm lacking  
so don't, don't let me go  
just let me know  
that I can slip and fall and you wont let me go  
just let me know  
that growing up goes slow And I'm so sorry, it's not like me  
it's maturity that I'm lacking  
so don't, don't let me go  
just let me know  
that growing up goes slow
