

# Baby Be Mine (Soundtrack Version)

## Blackstreet

Now is the time, and here's the place  
I Want...  
The Glow of Love is on your Face  
I Want...  
Don't Be Afraid, just come to me  
I want...  
For your Lovin', I've been waitin patiently So come closer please, and I will show you the way  
Love & Extasy tonight!  
Cause It's hard to find  
Real love, so baby won't you try me  
And forever you will be mine  
I Want You, I Need You (Girl)  
Baby, Baby Want You be mine? (Baby Please)  
I Want You, I Need You  
Baby, Baby Lets spend some time(Rap) So let's not waste Time,  
Live is to short, for if's and maybe's  
I wan't you to tell me right now  
that you're good to go  
and we will flow to the swing  
and forever you will be mine I Want You, I Need You  
Baby, Baby Want You be mine? (Won't you be mine, won't you be mine?)  
I Want You, I Need You  
Baby, Baby Lets spend some time (Baby we could spend a little Time)  
you Got it goin' on  
To the break-a-break of dawn  
From Your Head to your toes  
Cause Blackstreet knows
