

# Don't Make Me Come Over There And Love You

George Strait

Don't make me come over there and love you I'd be beside you in a single bound.

Don't make me come over there and love you, 'cause I will, right now

I don't need any explanation for why I crave all your honey talk.

Don't make me come over there and love you, 'cause it's a short walk.

You better tone down your persuasion. Start behavin', before I go and fall apart.

My heart's been on a long vacation, but now it's beatin like a cha-cha-cha.

Don't make me come over there and love you, 'cause I will, right now.

(Music Break)

You better tone down your persuasion. Start behavin', before I go and fall apart.

Don't make me come over there and love you, because it's lookin' like a perfect spot.

Don't make me come over there and love you and give all I got.

Don't make me come over there and love you, 'cause I will, right now,

yes, I will, right now.

Don't make me come over there and love you.
