

Without You

Charlie Wilson

Mmm... Hmm...It feels like a lifetime, a thousand days have passed
By
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with meHeaven knows what to say
Even though for right now you're so far away
I hope and I pray
Somewhere in your heart I'll always stay
Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath and
My life ended
Had to say just what I was feeling, girl
'Cause my sun doesn't shine, sun doesn't shine without
YouThis is more for me than for you
Girl, I finally see there's no substitute
For what we have
Do you know how much I love youAnd that we shared, I can't forget
Girl a love like yours
I'll never let just slip away,
Just promise that you'll stay
Heaven knows what to say
Even though for right now you're so far away
Gonna tell you and show you
Do whatever I can do to get back to youGirl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath and my life ended
Had to say just what I was feeling, girl
'Cause my sun doesn't shine, sun doesn't shine
Without youHave you ever seen a flower that did not bloom, seen a starless night without the
moon, well that's me without you, so come back and turn my nights into days.Girl, lately my
sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath and my life ended
Had to say just what I was feeling, girl
'Cause my sun doesn't shine, sun doesn't shine
Without you
