Whiskey Glasses

Morgan Wallen

Pour me, pour me another drink Cause I don't wanna feel a thing No more hell no, I just wanna sip it til the pain wears off Pour me, pour me another round Line'em up and knock'em down two more let's go, cause I ain't never hurt like this beforeDon't wanna think about her, or wear a ring without her Don't wanna hit the karaoke bar can't sing without herSo make them drinks strong, cause brother she's gone And if I'm ever gonna move on I'ma need some whiskey glassesCause I don't wanna see the truth She's probly makin' out on the couch right now with someone new Yea I'ma need some whiskey glasses If I'm gonna make it through If I'ma be single I'ma need a double shot of that heartbreak proof And see the world through whiskey glassesSee the world through whiskey glasses Last call, I swear this'll be my last call Now I ain't drunk dialin' no more at 3am Mr Bartender hit me again Don't wanna think about her, or wear a ring without herDon't wanna hit the karaoke bar can't sing without herSo make them drinks strong, cause brother she's goneAnd if I'm ever gonna move onI'ma need some whiskey glassesCause I don't wanna see the truth She's probly makin' out on the couch right now with someone new Yea I'ma need some whiskey glasses If I'm gonna make it through If I'ma be single I'ma need a double shot of that heartbreak proof And see the world through whiskey glassesOh see the world through whiskey glasses.yeah Line'em up, Line'em up, Line'em up, Knock'em back, Knock'em back, Knock'em back Fill'em up, Fill'em up, Fill'em up, Cause if she ain't ever comin back...
