

# Here I Come (feat. Dice Raw & Malik B.)

## The Roots

He said yeah  
You better come out with your hands up  
We got you surrounded  
I'm in the back  
Changin' my outfit  
He said blink  
We gon' send the hounds in  
I said wait  
'Cause Here I Come  
You boys get ready  
'Cause Here I Come  
Here I Come.  
I'm soul brother one hunted  
How much charisma  
Could another one stomach  
If I be aprisoner then I wasn't more cunnin'  
Or wise  
If I come outside I'm not runnin'  
Stone lone wolf of the pack  
The unwanted  
I really got nothin' to hide  
I'm 'about cuttin'  
Go out in a blaze  
Wouldn't pop one button  
I'm a murk half hurt leave the cop dogs huntin'  
The pretty black one in the group  
The smooth villain under fire  
'Cause I'm pennin' the words that move millions  
Slide right in front of your eyes true brilliance  
It's a new bad moon on the rise  
Who feelin' it  
New true skill in it  
Y'all The Roots still in it  
Ready plus willin' it's all the true killer shit  
You know we got them Involved  
We too diligent  
They say the music is strong & too militant.  
He said yeah  
You better come out with your hands up  
We got you surrounded  
I'm in the back  
Changin' my outfit

He said blink  
We gon' send the hounds in  
I said wait  
'Cause Here I Come  
You boys get ready  
'Cause Here I Come  
Here I Come.Yo  
Black Ink raw life  
In this whatumacallit  
Seed smokin' junkie alcoholic  
1 foot in the grave  
1 foot in the tollic  
Still I'm onstage  
In front of an audience  
Disturbin' the peace  
& the local ordinance  
It's pimp shit poppin'  
I need coordinates  
My ETA  
I'll arrive by morning  
Money long like arms on Alonzo Mourning  
Vampire chicks suck blood  
Dusk to dawnin'  
Waitin' to catch me sleepin'  
I'm not yawnin'  
They in the VIP  
At the garden  
They gon' jump me  
When I stop performin'  
I got somethin' for them  
Behind the organ  
I always roll deep  
With my squadron  
The sheriff out front  
Gonna sic the dogs in  
That nigga talkin' 'about he got warrants.He said yeah  
You better come out with your hands up  
We got you surrounded  
I'm in the back  
Changin' my outfit  
He said blink  
We gon' send the hounds in  
I said wait  
'Cause Here I Come  
You boys get ready  
'Cause Here I Come  
Here I Come.I'm in the darkness  
Heartless  
Fuck you regardless

Move with hardness  
Y'all just pressin' charges  
It's often injury  
Floss & force my entry  
This penitentiary  
Knockin' up niggas for centuries  
It's elementary  
Like KRS & evidently  
Incidents  
They all stress  
I'm lawless  
That's my problem  
Evolve  
& never solve them  
Chill in Harlem  
Bang you  
Bring you stardom  
You full of boredom  
Bastard you been aborted  
Bring your neck out  
Bring the tech out  
Absorb it  
See you check out  
& then step out  
The orbit  
Blow your flesh out  
'Til I'm fresh out my torment  
Street apostle  
Pop shit  
Preach the Gospel  
Still I'm hostile  
Sippin' a duece When possible  
Turn into a monster  
Grouchy  
Give me the Oscar  
Hit you like vodka  
Then screech off in a Mazda. He said yeah  
You better come out with your hands up  
We got you surrounded  
I'm in the back  
Changin' my outfit  
He said blink  
We gon' send the hounds in  
I said wait  
'Cause Here I Come  
You boys get ready  
'Cause Here I Come  
Here I Come. Yo.
