

Side Effects (feat. Emily Warren)

The Chainsmokers

It's 4 a.m. I don't know where to go
Everywhere is closed
I should just go home, yeah
My feet are taking me to your front door
I know I shouldn't though
Heaven only knows That ooh, the side effect
My loneliness is you Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
This happens every time I try to mix
Decision making with, one too many drinks But ooh, if late night friends have consequences,
cool yeah Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight Oh, I think about it all the time
Make it happen in my mind, I'm telling you, yeah
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight, yeah
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight, yeah I, I think about it all the time
Make it happen in my mind, I'm telling you, yeah
Oh, you're all that I want
No good at giving you up
Come on and give me some love tonight Time should've taught me the lesson
Went looking for a sign, but instead I got a message

I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
Time should've taught me the lesson
Went looking for a sign, but instead I got a message
I take off my pride every time we undressing
Draw the line, I'm by the line, yeah
