

# Lonely (feat. Lil Wayne)

## Demi Lovato

[Intro: Demi Lovato & YG]

Mmm, ooh, yeah

Mustard on the beat, hoe[Verse 1: Demi Lovato]

He felt just like you

His arms, his lips

His promises were just as smooth

His grip, it fit, though, I admit, that

Only you could make me feel the way you do

Though, you know love is blind

And he just caught my eye[Pre-Chorus: Demi Lovato]

You know me and honestly I'm better without ya

Don't you got me checking on my phone by the hour

Baby, I'm hoping and praying

My knees weak, I'm shaking

'Cause you know, that I always needed saving

[Chorus: Demi Lovato]

Now I'm fucking lonely and you didn't want me

Trying to show me, that you didn't own me

But all you do is leave me fucking lonely

Knees on the concrete, cut up and bleeding

For no Goddamn reason

But all you do is leave me fucking lonely

Leave me fucking lonely

Leave me fucking lonely

Leave me fucking lonely[Verse 2: Demi Lovato]

The month was June

The smoky sun, our fatal run

It ended too soon

With tears and proof, 'cause all the carpets stained with juice

Blood on my shoes and you know love is blind

I can see it in your eyes

[Pre-Chorus: Demi Lovato]

You know me and honestly I'm better without ya

Don't you got me checking on my phone by the hour

Baby, I'm hoping and praying

My knees weak, I'm shaking

'Cause you know, that I always needed saving[Chorus: Demi Lovato]

Now I'm fucking lonely, and you didn't want me

Trying to show me that you didn't own me

But all you do is leave me fucking lonely

Knees on the concrete, cut up and bleeding

For no Goddamn reason

But all you do is leave me fucking lonely  
Leave me fucking lonely  
Leave me fucking lonely  
Leave me fucking lonely[Verse 3: Lil' Wayne]  
Bitch, can't even say I miss you back over the fuckin' text  
Every time you slept over my pad, you over fuckin' slept  
Toni Braxton told me breathe again, don't hold no fuckin' breath  
Gave your ass directions to my heart and your ass busted left  
Climbin' up the money tree, the tree without the lover's nest  
'Cause lovebirds are some busy bees  
You fuck around, get stung again  
And you didn't leave your underwear  
'Cause she didn't arrive in no underwear  
Look, baby, even lovers burn to nothin', that be clear  
I can't see the forest from the tree, the water from the sea  
And I was starting to believe, but it's a forest full of dreams  
I smoke bars full of weed and call it what I see  
And when you leave, I hope you know you bring  
This forest to his leaves  
I'm fucking lonely, yeah[Final Chorus: Demi Lovato]  
Lonely  
Leave me fucking lonely  
Leave me fucking lonely  
Leave me fucking lonely
