[Intro: Jason Derulo & Jawsh 685]

Jason Derulo

Ahh

Savage love

(It's 685, baby)[Verse 1: Jason Derulo]

If I woke up without ya, I don't know what I would do

Thought I could be single forever till I met you

Usually don't be fallin', be fallin', fallin' first

You gotta way of keeping me comin' back to back

I just found out, the only reason that you lovin' me

Was to get back at your ex lover but before you leave

Usually I would never, would never even care

Baby I know she creepin', I feel it in the air

[Pre-Chorus: Jason Derulo]

Every night and every day (Every day)

I try to make you stay

But your [Chorus: Jason Derulo]

Savage love

Did somebody, did somebody

Break your heart?

Lookin' like an angel

But your savage love

But when you kiss me

I know you don't give two fucks

But I still want that

[Post-Chorus: Jason Derulo]

Your savage love

Your savage lo-lo-love

Your savage lo-lo-love

You could use me

'Cause I still want that (Your savage)

[Verse 2: Jason Derulo]

Baby, I hope this ain't karma 'cause I get around

You wanna run it up, I wanna lock it down

Usually don't be fallin', be fallin', fallin' first

You gotta way of making me spend up all my cash [Pre-Chorus: Jason Derulo]
