Hero

Enrique Iglesias

Let me be your heroWould you dance? If I asked you to dance? Would you run? And never look back? Would you cry? If you saw me crying? And would you save my soul tonight?Would you tremble? If I touched your lips? Would you laugh? Oh please, tell me this Now would you die For the one you loved? Hold me in your arms tonight I can be your hero, baby I can kiss away the pain I will stand by you forever You can take my breath awayWould you swear That you'll always be mine? Or would you lie? Would you run and hide? Am I in too deep? Have I lost my mind? I don't care, you're here tonightI can be your hero, baby I can kiss away the pain I will stand by you forever You can take my breath away I just want to hold you I just want to hold you Am I in too deep? Have I lost my mind? Well, I don't care, you're here tonightI can be your hero, baby I can kiss away the pain I will stand by you forever You can take my breath awayI can be your hero! I can kiss away the pain And I will stand by you forever You can take my breath away You can take my breath awayI can be your hero
