

Tongue

MNEK

[Verse 1]

Swimming pool of passion

Mutual attraction

We both know there is something going on

There is something going on

Didn't wanna start this first with those three little words

'Cause we both know there is something going on

But I don't wanna play it wrong[Pre-Chorus 1]

So I'm not gonna say it

No, I don't wanna say it

I don't know how to take it

So I'mma try not to say it

'Cause when I said it in the past

Each time it didn't last

So I'mma try not to say it

But it feels like I might say it

[Chorus]

So I'm putting both hands over my mouth

I can only hope nothing's gonna come out

But there it is on the tip of my tongue

(I think I love you)

I think you're the one

I'm putting both hands over my mouth

I can only hope nothing's gonna come out

But there it is on the tip of my tongue

(I think I love you)

I think you're the one[Verse 2]

No big deal explaining how I feel

I don't know why it is taking us so long

Why it's taking us so long

So much hesitation for that kinda conversation

We both know there is something going on now

But we don't wanna play it wrong

[Pre-Chorus 2]

So I'm not gonna say it

So that's not to say it

I don't know how to take it

So I'mma try not to say it

'Cause when i said it in the past

Each time it didn't last

So I'mma try not to say it

But it feels like I might say it[Chorus]

So I'm putting both hands over my mouth
I can only hope nothing's gonna come out
But there it is on the tip of my tongue
(I think I love you)
I think you're the one
I'm putting both hands over my mouth
I can only hope nothing's gonna come out
But there it is on the tip of my tongue
(I think I love you)
I think you're the one
I'm putting both hands over my
I can only hope nothing's gonna come out
But there it is on the tip of my tongue
(I think I love you)
I think you're the one
I'm putting both hands over my mouth
I can only hope nothing's gonna come out
But there it is on the tip of my tongue
(I think I love you)
I think you're the one[Bridge]
Ticky-too-ticky-tee-ticky-ta-ta-ta
(I think I love you)
Tip of my tongue
Licky you, licky me, licky la-la-la
(I think I love you)
What's on your tongue?
Ticky-too-ticky-tee-ticky-ta-ta-ta
(I think I love you)
I should bite my tongue
Licky you, licky me, licky la-la-la
(I think I love you)
You might be the one
You might be the one
(I think I love ya)[Pre-Chorus 3]
No, I'm not trying to say it
No, I don't wanna say it
I'mma try not to say it
But it feels like I might say it[Chorus]
So I'm putting both hands over my mouth
I can only hope nothing's gonna come out
But there it is on the tip of my tongue
(I think I love you)
I think you're the one)
Now I'm putting both hands over my
I can only hope nothing's gonna come out
But there it is on the tip of my tongue
(I think I love you)
I think you're the one
I'm putting both hands over my mouth

I can only hope nothing's gonna come out, baby
But there it is on the tip of my tongue
(I think I love you)
I think you're the one[Outro]
Ticky-too-ticky-tee-ticky-ta-ta-ta
(I think I love you)
(Think I'm in love with you, baby)
Tip of my tongue
Licky you, lick me, lick la-la-la
(I think I love you)
What's on your tongue?
Ticky-too-ticky-tee-ticky-ta-ta-ta
(I think I love you)
I should bite my tongue
Licky you, lick me, lick la-la-la
(I think I love you)
I think you're the one
