I'm not doing anything today.
I don't care what you say.
I'm not going out.
I'm staying home.
I don't really want to act afraid, Not about you about anything.
I can't pretend this is all a dream.
Have I lived too long?
Why does my head hurt?
Having fun when I'm alone.
I don't have to put on a show.
Cause everything around me isn't real.
I'm not taking off I'm just taking a break.
Not just from you, from everything.
I can't pretend this is all a dream.
Have I lived too long?
Why does my head hurt?
We're not alone.
We're Not alone.
I believe we're not alone.
We're not alone.
We're not alone.
I believe.
Have I lived too long.
Why does my head hurt.
We're not alone.
We're not alone.
I believe we're not alone.
We're not alone.
We're not alone.
I believe we're not alone.
We're not alone.
I believe we're not alone.
We're not alone.
I believe.
I believe.
