

Heavy Love

Mali Music

Heartache, heartbreak, pain
That's the only song we sing
That's the only thing life seems to bring, yeah
But tonight, we going to a place few speak of
Great Grandmamma and Granddaddy love, yeah
Dearly beloved yeah, and the divorce rate is outta control
Too many broken homes I know, it gets hard y'all
And that's why we gotta take it to God y'all
Love each other now
Oh your sister, your brother now
Hold on, don't let go
You need a dose of that heavy love
You can't move it, you can't shake it
You can't beat it, you can't take it
It's unchanging, heavy love
It ain't changing, heavy love
So much power, so much patience
It's a love, so amazing
It ain't moving, heavy love
It ain't breaking, heavy love I wanna live in a world where
Mothers and daughters, fathers and sons
Are coming up together as one, yeah
In a place where two people who know that they knew one another
Not only fall in love yeah, but stay in love yeah
Hang in there, at times when you're hurtin' the worst
That's when love feels the best, yeah
That's when it matters the most yeah
So find your lover, find your friend
Tell that one you love that you need him yeah
Give him a dose of that heavy love
You can't move it, you can't shake it
You can't beat it, you can't take it
It's unchanging, heavy love
It ain't changing, heavy love
So much power, so much patience
It's a love, so amazing
It ain't moving, heavy love
It ain't breaking, heavy love Talkin' bout' that 20 year, 30 year, 40 year love
That's the power of the, heavy love
So much power, heavy love
I'm talking bout' that one, that only
Loving you my whole life

That's the love, heavy love
Heavy love, heavy love You can't move it, you can't shake it
You can't beat it, you can't take it
It's unchanging, heavy love
It ain't changing, heavy love
So much power, so much patience
It's a love, so amazing
It ain't moving, heavy love
It ain't breaking, heavy love
