Time After Time (feat. Sarah McLachlan)

Cyndi Lauper

Lying in my bed I hear the clock tick and think of you Caught up in circles, confusion is nothing new Flashback, warm nights Almost left behindSuitcase of memories Time after sometimes you picture me I'm walkin' too far ahead You're callin' to me, I can't hear what you've saidThen you say, "go slow" I fall behind The second hand unwinds If you're lost, you can look and you will find meTime after time If you fall, I will catch you, I'll be waiting Time after time If you're lost, you can look and you will find me Time after time If you fall, I will catch you, I'll be waiting Time after time After my picture fades and darkness has turned to gray Watching through windows, you're wondering if I'm okay Secrets stolen From deep inside The drum beats out of timeIf you're lost, you can look and you will find me Time after time If you fall, I will catch you, I'll be waiting Time after timeYou said, "go slow" I fall behind The second hand unwinds If you're lost, you can look and you will find me Time after time If you fall, I will catch you, I'll be waiting Time after time If you're lost, you can look and you will find meTime after time If you fall, I will catch you, I'll be waiting Time after time Time after time
