

# From Eden

## Hozier

Babe  
There's something tragic about you  
Something so magic about you  
Don't you agreeBabe  
There's something lonesome about you  
Something so wholesome about you  
Get closer to me..No tired sigh, no rolling eyes  
No irony  
No 'who cares', no vacant stare  
No time for me  
Honey you're familiar  
Like my mirror years ago  
Idealism sits in prison  
Chivalry fell on his sword  
Innocence died screamingHoney, ask me, I should know  
I slithered here from Eden  
Just to sit outside your doorBabe  
There's something wretched about this  
Something so precious about this  
Where to beginBabe  
there's something broken about this  
But I might be hoping about this  
Oh what a sin  
To the strand, a picnic planned for you and me  
A rope in hand, for your other man  
To hang from a treeHoney you're familiar  
Like my mirror years ago  
Idealism sits in prison  
Chivalry fell on his sword  
Innocence died screamingHoney, ask me, I should know  
I slithered here from Eden  
Just to sit outside your doorHoney, you're familiar  
Like my mirror years ago  
Idealism sits in prison  
Chilvary fell on his sword  
Innocence died screamingHoney, ask me, I should know  
I slithered here from Eden  
Just to hide outside your door
