

I Love You

Sarah McLachlan

I have a smile stretched from ear to ear
To see you walking down the road
We meet at the lights, I stare for a while
The world around us disappears
It's just you and me on my island of hope
A breath between us could be miles
Let me surround you, my sea to your shore
Let me be the calm you seek Oh, but every time I'm close to you
There's too much I can't say
And you just walk away
And I forgot
To tell you I Love You
And the night's too long
And cold here without you
I grieve in my condition
For I cannot find the words to say I need you so
Oh, and every time I'm close to you
There's too much I can't say And you just walk away
And I forgot
To tell you I Love You
And the night's too long
And cold here without you
I grieve in my condition
For I cannot find the words to say I need you so
