

# Long Way 2 Go

Cassie

I love it when they try to get intimate  
Even though they know I really am not into it  
(You're not into it?) I'm not into it  
I already know the game and I've been through it  
See I buy my own bags, my boots, my jeans  
Wear La Rok with my Rebel Yell underneath  
You wanna step to me?  
Since you gotta long way 2 go (Rock with me now)  
You claim that you're so hot  
And you say you got skills in the bedroom  
You, try to flirt when you're so not  
Had a chance you still never come through  
You, say you wanna come see me  
'cause you know your girlfriend wanna be me (Uh)  
I'm a tell you why you can't  
Since you gotta long way 2 go  
Say you wanna love me?  
Wanna love me? Wanna touch me? Think twice 'cause you gotta long way to go huh Don't know  
how to act, better fall back  
It's like that "cause you gotta long way to go  
It's not that deep, take it easy, you wanna please me?  
Got a long way 2 go, I'm a bad girl  
You wanna get close? Easy up 'cause you gotta a long way  
I love it when they try to get scandalous  
Even though they know they really can't handle it  
(They can't handle it?) They can't handle it Try and take me out to dinner, I'll cancel it  
If you really wanna know me first of all  
You should never try to get too personal  
'cause I meant it when I said  
That you gotta long way to go  
You claim that you're so hot And you say you got skills in the bedroom  
You try to flirt when you're so not  
Had a chance you still never come through You say you wanna come see me  
'cause you know your girlfriend wanna be me (Uh)  
I'ma tell you why you can't  
Since you gotta long way to go  
Say you wanna love me?  
Wanna love me? Wanna touch me? Think twice 'cause you gotta long way to go  
Don't know how to act, better fall back  
It's like that "cause you gotta long way to go  
It's not that deep, take it easy, you wanna please me? Got a long way 2 go, I'ma bad girl  
You wanna get close? Easy up 'cause you gotta a long way to go

(repeat) You claim that you're so hot  
And you say you got skills in the bedroom  
You try to flirt when you're so not  
Had a chance you still never come through  
You say you wanna come see me Your new girlfriend wanna be me  
Since you gotta long way 2 go  
Say you wanna love me? Wanna love me? Wanna touch me? (Touch me)  
Think twice 'cause you gotta long way to go (Way to go)  
Don't know how to act, better fall back (Oh you got a long way)  
It's like that 'cause you gotta long way to go  
It's not that deep, take it easy (Take it easy) you wanna please me?  
Got a long way 2 go, I'ma bad girl (I'ma bad girl yeah) You wanna get close? Ease up 'cause you  
gotta a long way Wanna love me? Wanna touch me?  
Think twice 'cause you gotta long way to go {Way to go}  
Don't know how to act, better fall back  
It's like that 'cause you gotta long way to go  
It's not that deep, take it easy' wanna please me?  
Got a long way to go  
Since you got a long way to go  
Rock with me now  
Cause you got a long way to go  
Better fall back  
Since you got a long way to go
