

# Wango Tango

Ted Nugent

All right! It's zee Wango, zee Tango  
1-2-3-4  
Come on boys  
Time to WangoMy baby she like to rock  
My baby she like to roll  
My baby she can dance all night  
My baby got no control  
She do the Wango TangoMy baby she can scream and shout  
My baby she can move it out  
My baby she can take a chance  
My baby got a brand new dance  
Wango Tango  
Wango Tango  
It's a Wango Tango  
Ooooh yeah! (oooooh.)  
Baby!My baby like to rock  
My baby like to roll  
My baby like to dance all night  
She got no control  
She do...Wango Tango  
Wango Tango  
Wango Tango  
Ooooh yeah! (oooooh.)  
Yeahhhhhhhhhh!  
Baby! Baby! Baby! Ooooh I like the way you look baby  
You look like you're made for me honey  
If you wanna take a little chance  
I'm gonna show you a new dance  
Baby I gotta Wango down one time with you honey  
I like it, I like it, I like it, I like it, I like it  
Well, it's a brand new dance  
Yeah been sweepin' the nation  
I said a brand new dance  
A rock 'n' roll sensation  
Yeah I like it baby, I do it every night  
I got to do it 'cos I like it so much  
Oh honey believe it baby  
You see it's a crazed gyration of the rock generation  
It's my motivation to avoid the nauseation, frustration  
When I need some lubrication - Baby!  
Kinda like, goes kinda like this  
You take her right ankle out

You take her left ankle out  
 You get her belly propped down  
 You get her butt propped up  
 Yeah lookin' good now baby  
 I think you're in the right position now baby  
 Yeah but if you ain't quite ready I'll make sure everything is a little bit nicer 'cos  
 I'm gonna get a little talcum  
 I'm gonna borrow it from Malcolm  
 Yeah you look so good baby I'm startin to drool all over myself  
 I got the droolin', droolin', get all wet, salivate, salivate  
 I got salivate late, salivate late, salivate late  
 Got salivate, salivate, salivate, salivate, heh heh heh  
 Yeah you look so good baby, I like it, I like it, I like it  
 You know what I been talkin' about honey  
 It's a nice dance, we gotta a nice dance goin' here  
 Now what you gotta do, I'll tell you what you gotta do  
 You got to pretend your face is a Maserati  
 It's a Maserati  
 It's a Maserati  
 It's a gettin' hotty  
 It's a Maserati, Maserati, Maserati  
 It's a fast one too man, that thing's turbocharged  
 You feel like a little fuel injection honey?  
 I'll tell ya about it, I'll tell you about it  
 I'll check out the hood scoop  
 I gotta get that hood scoop off, shine and shine and buff  
 I gotta buff it up, buff it up, buff it up, buff it up, buff it up,  
 Yeah, shiny now baby, heh heh heh  
 You've been drivin' all night long  
 It's time to put the old Maserati away  
 So you look for a garage, you think you see a garage  
 Wait a minute, Hey!, there's one up ahead  
 And the damn thing's open  
 Hello! Get in there! Is my baby alive? (Is my baby alive?)  
 Is my baby alive? (Is my baby alive?)  
 Is my baby alive?  
 She Wango'd to death Wango Tango (Wango Tango)  
 Wango Tango (Wango Tango)  
 Wango Tango (Wango Tango)  
 Wango Tango (Wango Tango)  
 Wango Tango  
 Wango Tango  
 Wango Tango  
 Wango Tango  
 Wango Wango  
 Tango Tango  
 Wango Wango Wango Wango  
 Tango Tango Tango Tango, yeah... (echoing)
