

# Love song

Lana Del Rey

[Verse 1]

In the car, in the car, in the backseat, I'm your baby  
We go fast, we go so fast, we don't move  
I believe in a place you take me  
Make you real proud of your baby  
In your car, I'm a star and I'm burnin' through you  
In your car, I'm a star and I'm burnin' through you

[Chorus]

Oh, be my once in a lifetime  
Lying on your chest, in my party dress  
I'm a fucking mess but I  
Oh, thanks for the high life  
Baby, it's the best, that's a test  
And yes, now I'm here with you and I  
Would like to think that you would stick around  
You move, but I just got to make you proud  
The taste, the touch, the way we love  
It all comes down to make the sound of a love song [Verse 2]

Dream a dream, here's a scene  
Touch me anywhere 'cause I'm your baby  
Grab my waist, don't waste any part  
I believe that you see me for who I am  
So spill my clothes on the floor of your new car  
Is it safe, is it safe, to just be who we are?  
Is it safe, is it safe, to just be who we are?

[Chorus]

Oh, be my once in a lifetime  
Lying on your chest, in my party dress  
I'm a fucking mess but I  
Oh, thanks for the high life  
Baby, it's the best, that's a test  
And yes, now I'm here with you and I  
Would like to think that you would stick around  
You move, but I just got to make you proud  
The taste, the touch, the way we love  
It all comes down to make the sound of a love song [Outro]  
The taste, the touch, the way we love  
It all comes down to make the sound of a love song
