

New Freezer (feat. Kendrick Lamar)

Rich The Kid

[Hook 2x: Rich the Kid]

My bitch too foreign, need a visa, I don't need her
Pull up drop top with a eater, two seater
New bitch wanna fuck on my AP, new freezer
I woke up thinking about bands, Hop off a jet to a check when I land[Verse 1: Rich the Kid]
Oooh money way, diamonds, flexing
I woke up rich, spend a grip on a necklace
I put the plug on three way, Maserati go speed race
I drop a baby on a bitch face, more ice flexing this way
We put the world on the wave, don't give a fuck cause I'm paid
More act in a lemonade, the pharmacy knowing my name
I fuck that bitch cause she bougie, she suck my dick [?]
Trap jumping like 23, she a foreign girl, a freak
[Hook 2x: Rich the Kid]

My bitch too foreign, need a visa, I don't need her
Pull up drop top with a eater, two seater
New bitch wanna fuck on my AP, new freezer
I woke up thinking about bands, Hop off a jet to a check when I land[Verse 2: A\$AP Ferg]
Woke up thinking about bands, blue cheese in my pants
[?], stack my money to YAMS
Dollar sign high to the sky, fuck on your bitch cause she bi
She fucking, she love it, she saying whoo
She know that young Fergie the man
Met her on the boat and she loving the flow, cause I put them big stones on my hand
Yea, I'm froze, look at the stones on her hand
Aye, she say trap lord what's the plan
[Hook 2x: Rich the Kid]

My bitch too foreign, need a visa, I don't need her
Pull up drop top with a eater, two seater
New bitch wanna fuck on my AP, new freezer
I woke up thinking about bands, Hop off a jet to a check when I land[Verse 3: MadeinTYO]
Wake up to some neck, Rich told me to flex
Yeah I been about a check
Dominican one, shawty wanna have fun
Backwood on her lip, shawty drink in the VIP
Why these niggas really [?]
Tokyo in the bag, wanna lay up in the thing
Yeah stay up in your lane, Tokyo make it rain
Shawty wanna be a eater, turned her to the goat, ten bands on a coat[Hook 2x: Rich the Kid]
My bitch too foreign, need a visa, I don't need her
Pull up drop top with a eater, two seater
New bitch wanna fuck on my AP, new freezer

I woke up thinking about bands, Hop off a jet to a check when I land
