Love Come Down

Evelyn "Champagne" King

(Love come down)
(All the way down)No sleep last night
Been dreaming of you
Please hold me tight
'Cause I can't help the way that I feel
I just can't help the way that I feelDeep in the night
You took my heart
Now danger's in sight
'Cause I can't help the way that I feel
I just can't help the way that I feel
Do do dit dit dit dit dit dit do do do
Baby you make my love come down
You make my love come down
Make it come all the way down
Oh you make my love come down
Baby you make my love come down
You make my love come downCan't do without your tender love
There's no way out
And I can't help the way that I feel
I just can't help the way that I feelYour love has a force, got me under your spell
So take me, I'm yours
And I can't help the way the I feel
I just can't help the way that I feel
Shoo, doo, doo, doo, doo, doo, doo, doo, doo, doo, doo, oh
Baby, you make my love come down
You make my love come down
Make it come all the way down
You make my love come down
Baby, you make my love come down
You make my love come down(Baby, you make)
(Baby, you make my)
(Baby, you make)
(Baby, you make my)All the way down
Oh, oh
Oh, ohBaby, you make my love come down
You make my love come down
Make it come all the way down
You make my love come downInside out when you're around
You make my love come down
(Baby, you make)
(Baby, you make my)
Love come down

You make my love come down
Make it come all the way down
You make my love come downInside out when you're around
You make my love come down
(Baby, you make)
(Baby, you make my)
I can't help the way I feel about you, baby
I can't help the way I feel(All the way down)
You make my, you make my love come down
(You're around)
When you're around, baby, yeah(Baby, you make, baby, you make my love come down)
Baby, you make my love come down, come down
Make it come all the way down
You make my love come down, ooh(You're around)
When you're around
(Baby, you make)
You make, you make my love come down
(Baby, you make my love come down)
(All the way down)
All the way down
