

Ain't Hard Enough (feat. Mozzy)

Nipsey Hussle

What up, dude?
Y'all niggas ain't hard enough
Y'all knuckles ain't scored enough
Y'all ain't in foreign cars enough, yeah Y'all niggas ain't hard enough
Y'all knuckles ain't scored enough
Y'all gang ain't large enough
Not came far as fuck
5 killers in a Harley truck
Bust 60 down, all intent
Please don't start with us
Sound of gunshots charge me up
Come through once a week like the garbage truck
This some thousand dollar chains with the carbon clutch
Quarter million dollar car with the driver cause
Everything I do done bossed up
Disrespectful and arrogant but who gon' stop us?
Fresh nigga off the block, don't block us
Rap dreams disappeared and that success pop up
See most niggas in this life get locked up
Lost inside the system 'fore a white man stock up
Only difference is, I picked hip-hop up
And this why they still can't stop us Y'all niggas ain't hard enough
Y'all niggas ain't hard enough
Niggas ain't as hard as us
My young'n acting, finna charge him up
God dropped some to be a part of us
Police told him target us
We was kids then, party's up
Yeah, the suckers know how far we up
The smokers know how far we've come
These niggas ain't known for parking nothing
I ain't follow niggas, cars on them
30 on 'em charging for me
And you ain't plugged in, where your shooters at?
Running marathons round your goofy ass
Pull up to the necklace, I be reckless, real shooter game
Fuck 'bout the nookie cage, God let me shoot the cape
Told my mama nothing when she ask me why I do today
Mighta find G lock and 'vert it to a fully thing
Had to get a 2010 Benz way he do his thing
Shoestring around a stupid thing
Had to get a 2010 Benz way he do his thing

Shoestring around a stupid thing Y'all niggas ain't hard enough
