Won't Look Back

Duke Dumont

Love comes close to you Your love it makes me stronger No matter what we're going through I won't look back won't look won't look back I won't look back won't look won't look backYou make me wanna live forever You're my remedy to yesterday Now my struggle seems so far away And life will never be the same Living it up, living it up, living it up Life ain't a party, you're the passion by my side Living it up, living it up, living it up Life ain't a party, you're the passion by my sideLove comes close to you Your love it makes me stronger No matter what we're going through I won't look back won't look won't look back I won't look back won't look won't look backI wish love was always this easy But every now and then it brings us down But I know that I can count on you To keep the music playing onLiving it up, living it up, living it up Life ain't a party, you're the passion by my side Living it up, living it up, living it up Life ain't a party, you're the passion by my side Love comes close to you Your love it makes me stronger No matter what we're going through I won't look back won't look won't look back I won't look back won't look won't look back
