Fix (feat. Ol' Dirty Bastard)

Blackstreet

[Intro] Clap, clap, clap, clap If you need a fix (Yeah, if you need a fix baby, I got it) And you say Blackstreet, and you say (I wanna give it to you) And, clap your hands, just clap your hands (I wanna go on and on) Just clap your hands, just clap (And give you more)Oh, sugar girl, you sexy thing I like the way you swing Always wanna be your lover I always wanna be your lover You can call me If you need a fix or two Girl, you know how we do Try to get with youYou can hit me on the phone Dial my number, I'll be waiting When I see you, we'll be anticipating All I wanna do is drive you crazy girl If we can phone, baby let's go See me tonightIf you need a fix (Let me be the one you can call on) If you want a fix (And I can give you want you need) If you need a fix (Baby, you know I can give you) More and more, on and on (Clap your hands just clap your hands, just clap your hands Just clap your hands) You don't have to worry I'll be there for you It's time for you to be my girl It's time for you to be my girlWe've been knowing each other For some time, girl And I don't know What I'd do without youIf you need a fix (I need a fix, you need a fix, girl) If you want a fix (I can give you what you need) If you need a fix (Baby, you know I can give you)

More and more, on and on (Clap your hands just clap your hands, just clap your hands Just clap your hands)Teddy, play it I can give it to you baby (Get down, get down) Get down baby (Oh yeah, yeah) I can give it to you baby (I can give it to you) Get down, down (Take it to the bridge) If you need a fix I can give it to ya If you need a fix I can give it to ya (Teddy, jam) I can be your candy man (I can be your candy man, oh yeah) I can be your candy man (I can be, oh, oh, oh)If you need a fix Let me be the one you call on If you want a fix I wanna be your candy man If you need a fix Baby you know I'll give you More and more, on and on (Clap your hands, just clap your hands, just clap your hands Just clap your hands)If you need a fix Let me be the one you call on If you want a fix I wanna be the one you need If you need a fix We can do it all night long, girl More and more, on and on (Clap your hands just clap your hands, just clap your hands Just clap your hands) I wanna go on and on and on and on and on And you say Blackstreet Clap your hands, just clap your hands, just (Blackstreet's in full effect) And you say Blackstreet Clap, clap, clap your hands, just clap your hands, just And you say Blackstreet Clap your hands, just clap your hands, just (Taking it to another level) And you say Blackstreet Clap, clap, clap your hands, justs clap your hands, just And you say Blackstreet
