

# Every Rose Has Its Thorn

## Poison

We both lie silently still in the dead of the night  
Although we both lie close together we feel miles apart inside  
Was it something I said or something I did?  
Did my words not come out right?  
Though I tried not to hurt you  
Though I tried  
But I guess that's why they say[Chorus:]  
Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings his sad, sad song  
Every rose has its thorn  
Yeah it does I listen to our favorite song playing on the radio  
Hear the DJ say love's a game of easy come and easy go  
But I wonder does he know?  
Has he ever felt like this?  
And I know that you'd be here right now  
If I could have let you know somehow  
I guess[Chorus] Though it's been a while now  
I can still feel so much pain  
Like a knife that cuts you the wound heals  
But the scar, that scar remains  
I know I could have saved a love that night if I'd known what to say  
Instead of makin' love we both made our separate ways  
And now I hear you found somebody new  
And that I never meant that much to you  
To hear that tears me up inside  
And to see you cuts me like a knife  
I guess[Chorus]
