

They Can't Take That Away from Me

Tony Bennett & Elvis Costello

Our romance won't end on a sorrowful note
Though by tomorrow you're gone
The song is ended but I still song [Incomprehensible]
The melody that goes on and on Now they may take you from me, they will
I'll miss your [Incomprehensible] caress
But though they take you from me
I'll still [Incomprehensible] The way she wears her hat
The way she sips her tea
The mem'ry of all that
No, no, no, they can't take that away from me
The way her smile just beams
The way she sings off key
The way she haunts my dreams
No, no, they can't take that away from me They may never, never meet again
On that bumpy road to love
But I'll always, always keep the mem'ry of
The way she holds her knife
The way we danced till three
The way she changed our life
No, no, they can't take that away from me
No, they can't take that away from me
