

# Lions, Tigers & Bears

Jazmine Sullivan

I'm not scared of lions and tigers and bears  
(No I'm not)  
But I'm scared of loving you  
I'm not scared to perform at a sold out affair  
(That's right)  
But I'm scared of loving you  
Am I the only one who thinks it's an impossible task  
Why it don't last?  
Is that too much to ask?  
Why do we love love  
When love seems to hate us? Sorry if I sound so filled with gloom  
You say you care and I know you do  
But this is from my experience  
And my conclusion only makes sense  
Just 'cause I love you and you love me  
It doesn't mean that we're meant to be  
I can climb mountains, swim cross the seas  
But the most frightening thing is you and me I'm not scared of lions and tigers and bears  
(No I'm not)  
But I'm scared of loving you  
I'm not scared to perform at a sold out affair  
(That's right)  
But I'm scared of loving you  
Am I the only one who thinks it's an impossible task  
Why it don't last?  
Is that too much to ask?  
Why do we love love  
When love seems to hate us?  
Most circumstances, I know my fate  
But in this love thing, I don't get the game  
Why does it feel like those who give in  
They only wind up losing a friend Just 'cause I love you and you love me  
It doesn't mean that we'll ever be  
Fly cross the ocean, sing for the queen  
But the most frightening thing is you and me I'm not scared of lions and tigers and bears  
(No I'm not)  
But I'm scared of loving you  
I'm not scared to perform at a sold out affair  
(That's right)  
But I'm scared of loving you  
Am I the only one who thinks it's an impossible task  
Why it don't last?

Is that too much to ask?  
Why do we love love  
When love seems to hate us? I'm sure, though  
I'm not sure  
But if we never try, we'll never know  
It's better to have loved  
Than not to loved at all Not trying is worse than to stumble and fall  
And if we do, I'd rather it be with you  
'Cause at least there will be sweet memories  
Oh, I'm not scared I'm not scared of lions and tigers and bears  
(No I'm not)  
But I'm scared of loving you  
I'm not scared to perform at a sold out affair  
(That's right)  
But I'm scared of loving you  
Am I the only one who thinks it's an impossible task  
Why it don't last?  
Is that too much to ask?  
Why do we love love  
When love seems to hate us?  
Ooh ooh!
