

# Scared to Be Lonely (Brooks Remix)

**Martin Garrix & Dua Lipa**

It was great at the very start  
Hands on each other  
Couldn't stand to be far apart  
Closer the better Now we're picking fights and slamming doors  
Magnifying all our flaws  
And I wonder why, wonder what for  
Why we keep coming back for more Is it just our bodies  
Are we both losing our minds  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely Do we need somebody  
Just to feel like we're alright  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely  
Too much time, losing track of us  
Where was the real  
Undefined, spiraling out of touch  
Forgot how it feels All the messed-up fights and slamming doors  
Magnifying all our flaws  
And I wonder why, wonder what for  
It's like we keep coming back for more Is it just our bodies  
Are we both losing our minds  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely Do we need somebody  
Just to feel like we're alright  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely Scared to be lonely  
Even when we know it's wrong  
Been somebody better for us all along  
Tell me, how can we keep holding on, holding on tonight  
'Cause we're scared to be lonely Even when we know it's wrong  
Been somebody better for us all along  
Tell me, how can we keep holding on, holding on tonight  
'Cause we're scared to be lonely Is it just our bodies  
Are we both losing our minds  
Is the only reason you're holding me tonight  
'Cause we're scared to be lonely Scared to be lonely  
Scared to be lonely  
Eh, eh, scared to be lonely
