

# No Promises

Shawn Mendes

Staring out my hotel window  
Too much on my mind  
Maybe we should keep it simple  
We don't have to decide Oh no we don't need to overcomplicate it  
Cause I've been here once before don't even say it Baby, please, no promises  
Cause we won't keep our promises  
And I know the consequences  
So, baby, please  
Baby, please, no promises  
I've never been a fan of heartbreak  
So tell me what you want  
Take my hands across your body  
We don't have to hold on Oh no we don't need to overcomplicate it  
Cause I've been here once before don't even say it Baby, please, no promises  
Cause we won't keep our promises  
And I know the consequences  
So, baby, please  
Baby please no promises Cause I've been living only for this moment  
And I don't want to let it slip away  
I've been living only for this moment  
And I don't know how much that I can take, yeah  
Baby, please, no promises  
Cause we won't keep our promises  
And I know the consequences  
So, baby, please  
Baby please no promises  
Yeah, baby, please no promises, yeah  
Oh, baby, please no promises  
Baby, please  
Baby, please no promises
