## I Could Kick Your Ass

## **Justin Moore**

You got your million bucks You got your flashy sports car You got your trophy girls Man, you think you're a starYou got your teeth bleached You like to play the rich game Yeah, you think you're a cowboy The new Jesse JamesBut I could kick your ass I could jack your jaw Put you flat in the dirt, boy Yeah, I'd have a ballSo go ahead and act tough Like you're John Wayne's son But things can change fast I can kick your ass Try to steal my girl Better bring your big friends Another one or two 'Cause you're gonna need themYou're a little too small To be calling me names I'm 'bout to knock that smirky little grin Right off of your faceI could kick your ass I could jack your jaw Put you flat in the dirt, boy Yeah, I'd have a ballSo go ahead and act tough Like your John Wayne's son But things can change fast I can kick your assOh, how about it, boy? Yeah, I could kick your ass I could jack your jaw Put you flat in the dirt, boy Hell, I'd have a ballSo go ahead and act tough Like you're John Wayne's son But things can change fast I could kick your ass
