

# 2nd Round

## Usher

Intro:

Just touched down in town again  
You think about me now and then  
Been missing my lover friend  
Let's say we have a 2nd round again

Verse 1:

Girl it's been a while  
So I thought I hit you up  
You never love for mine  
Let's pick it up were we left off  
The last time I loved you firstly .baaaby  
So let me feel you up  
Just been a minute  
I know you miss the way... we... touch  
You can think about it and want it too.  
The thought come across you inches  
Gonna steal your plate for the 2nd round

Chorus:

Girl I'm in your town, come over  
Girl don't let me down, I won't be here for long  
Show you good a time, lovin. you.will remember  
Girl you give your best respect unless. girl

Verse 2:

Said you wouldn't but you did it, oh girl  
I can tell you don't regret it 'cause you ain't been touch like this  
Since the last time  
(the feeling that I get... Every time we can dance), oh baby  
Imma ok.oh. let em out... but I'll be back around  
(baby you can think around)... If you want to  
(but I gotta be out) . Has to be out  
(but when i come back). Be ready for a second round

Chorus:

Girl I'm in your town, come over  
Girl don't let me down, I won't be here for long  
Show you good a time, lovin. you.will remember  
Girl you give your best respect unless. girl

Outro:

Just touched down in town again  
You think about me now and then  
Been missing my lover friend  
Let's say we have a 2nd round again

Chorus:

Girl I'm in your town, come over  
Girl don't let me down, I won't be here for long  
Show you good a time, lovin. you.will remember  
Girl you give your best respect unless. girl
