

# Thankful

## New Kids On the Block

(I am thankful, thankful, thankful  
I am thankful, thankful, thankful) I think of you in October, when the rain starts to fall  
Couldn't fight through the storm, so I built up a wall  
I was looking for something, and in all the wrong places  
I was searching for love in all the wrong faces I saw a flicker of light in the darkness  
I saw a reflection of me where your heart is Baby, 'cause you  
You're holding me up  
You're holding me up  
And I am thankful You  
You're more than enough  
You're more than enough  
And I am thankful  
Everything I ever wanted  
Never knew until I got it  
Because of you  
I am thankful (I am thankful) (I am thankful, thankful, thankful) Sometimes the pressure of the  
city's got me slipping back  
But just the thought of you in it helps me stay on track  
And when they're all going out, just know I'll be coming home, baby  
And when there's no one around, I know I'm not alone, baby I saw a flicker of light in the  
darkness  
I saw a reflection of me where your heart is Baby, 'cause you  
You're holding me up  
You're holding me up  
And I am thankful (And I am thankful)  
You  
You're more than enough  
You're more than enough  
And I am thankful Everything I ever wanted  
Never knew until I got it  
Because of you  
I am thankful (I am thankful) No, I don't tell you enough, but I'm thankful  
You're picture perfect from every angle  
Just know wherever I go, I'mma take you  
I'm so thankful, I'm so thankful Baby, 'cause you  
You're holding me up  
You're holding me up  
And I am thankful You  
You're more than enough  
You're more than enough  
And I am thankful Everything I ever wanted  
Never knew until I got it (Never knew it, baby)

Because of you  
I am thankful (I am thankful)(I am thankful, thankful, thankful)  
I'm so thankful  
(I am thankful, thankful, thankful)
