

# What?

## Rob Zombie

I wanna know who you were meeting in the cemetery  
I don't have to tell you anything All right My human duplicators  
Prehistoric women and  
Jack the Ripper said  
What? She married a monster  
On the very last day  
She turned around and said  
What? I was a teenage  
A something or other  
With a Judge Five man  
What?

Vampire lovers in a wild bikini say  
Uh-huh, u-huh, uh-huh, u-huh Cannibal man and a jungle girl say  
Uh-huh, u-huh, uh-huh, u-huh Let's go Like a son of Kong  
Like a Fu Manchu  
They do not know what to do  
What? I got a vulture  
With a rabid eye and  
Killer bees screaming  
What? A real mastermind  
A genius of somekind  
But I do not understand  
What?

Vampire lovers in a wild bikini say  
Uh-huh, u-huh, uh-huh, u-huh Cannibal man and a jungle girl say  
Uh-huh, u-huh, uh-huh, u-huh Uh, let's do it Midnight offerings  
In a mini skirts and  
Mr. Rock N Roll Uh, Satan's cheerleaders  
Bouncing pom poms  
Bouncing pom poms Rave on with me  
Rave on with me  
Rave on with me

Here we go Vampire lovers in a wild bikini say  
Uh-huh, u-huh, uh-huh, u-huh Cannibal man and a jungle girl say  
Uh-huh, u-huh, uh-huh, u-huh Rave on with it  
Rave on with it  
Rave on with it  
On and on Rave on with it  
Rave on with it  
Rave on with it
