

# Her Heart

Anthony Hamilton

I had a habit of messing up  
Staying out late and getting drunk  
I let you down a thousand times  
Broken promises  
It's like i ran away from you  
My career was my excuse  
Until i saw you about to drown in your own tears And as you cried in my arms  
You woke up my heart  
And i saw again what i found in you  
Cuz her heart her heart wont let me lose her  
No matter how i try  
I just cant say goodbye and lose her  
When all the folks were said and done  
You were there to welcome me home  
I was convicted cuz your love never wavered  
I know you love me more than me  
And you vowed to love through anything  
I never had a kind of love that was forever And as you cried in my arms  
You woke up my heart  
And i saw again what i found in you  
Cuz her love her love wont let me lose her  
No matter how i try  
I just cant say goodbye and lose her  
Cuz her heart her heart wont let me lose her said her heart want let me lose her  
No matter how hard i try  
I just cant say goodbye and lose her  
No matter how hard i try  
I just cant say goodbye and lose her  
No matter how i try  
I just cant say goodbye and lose her
