

# Everything I Wanted

Billie Eilish

I had a dream  
I got everything I wanted  
Not what you'd think And if I'm being honest  
It might've been a nightmare  
To anyone who might care Thought I could fly (Fly)  
So I stepped off the Golden, hmm  
Nobody cried  
Nobody even noticed  
I saw them standing right there  
Kinda thought they might care I had a dream  
I got everything I wanted  
But when I wake up, I see  
You with me  
And you say  
"As long as I'm here, no one can hurt you"  
Don't wanna lie here, but you can learn to  
If I could change the way that you see yourself  
You wouldn't wonder why here  
They don't deserve you I tried to scream  
But my head was underwater  
They called me weak  
Like I'm not just somebody's daughter  
Could've been a nightmare  
But it felt like they were right there And it feels like yesterday was a year ago  
But I don't wanna let anybody know  
'Cause everybody wants something from me now  
And I don't wanna let 'em down  
I had a dream  
I got everything I wanted  
But when I wake up, I see  
You with me And you say  
As long as I'm here, no one can hurt you  
Don't wanna lie here, but you can learn to  
If I could change the way that you see yourself  
You wouldn't wonder why here  
They don't deserve you If I knew it all then, would I do it again?  
Would I do it again?  
If they knew what they said would go straight to my head  
What would they say instead?  
If I knew it all then, would I do it again?  
Would I do it again?  
If they knew what they said would go straight to my head

What would they say instead?
