

Mine Does

Chris Janson

Not every girl comes from a no-name town
But mine does
Not every girl likes a fire when the sun goes down
But mine does I've been around the world, I've seen a lot of things
But nothing turns me on like her in them jeans
There ain't nothing about her that I don't love
No other girl ever got me like mine does
Like mine does
Not every girl likes a good old boy like me
Naw, but mine does
Not every girl likes the dirt beneath her feet
Yeah, but mine does I've been around the world, I've seen a lot of things
But nothing turns me on like her in them jeans
There ain't nothing about her that I don't love
No other girl ever got me like mine does
Like mine does She was born down south on 75
Oh, off a two-lane road in the Georgia Pines Not every girl knows the words to Dixie Land
Delight
Mine does
Not every girl wants to honky-tonk tonight
Aw, but mine does
Yeah, yeah
I've been around the world, I've seen a lot of things
But nothing turns me on like her in them jeans
There ain't nothing about her that I don't love
No other girl ever got me like mine does
I've been around the world, I've seen a lot of things
But nothing turns me on like her in them jeans
There ain't nothing about her I don't love
No other girl ever got me, girl ever got me like mine does
Like mine does, like mine does
Like mine does, oh yeah
