## History

## **One Direction**

You've gotta help me, I'm losing my mind, Keep getting the feel you want to leave this all behind, Thought we were going strong, I thought we were holding on Are we?No they don't teach you this in school Now my hearts breaking and I don't know what to do Thought we were going strong Thought we were holding on Are we?You and me got a whole lot of history We could be the greatest team that the world has ever seen You and me got a whole lot of history So don't let it go, we can make some more, we can live forever All of the rumours, all of the fights But we always find a way to make it out alive Thought we were going strong Thought we were holding on Are we?You and me got a whole lot of history We could be the greatest team that the world has ever seen You and me got a whole lot of history So don't let it go, we can make some more, we can live foreverMinibars, expensive cars, hotel rooms and new tattoos, good champagne and private planes But we don't need anything Cause' the truth is out, I realise that without you here like there's just a lie This is not the end This is not the end We can make it you know it, you know You and me got a whole lot of history We could be the greatest team that the world has ever seen You and me got a whole lot of history So don't let it go, we can make some more, we can live foreverYou and me got a whole lot of history We could be the greatest team that the world has ever seen You and me got a whole lot of history So don't let it go, we can make some more, we can live forever So don't let me go So don't let me go We can live forever Baby don't you know Baby don't you know We can live forever
