

Hey Hey Hey

Uncle Kracker

Lately I've been livin'
 Feelin' unforgiven
 Feels like I've been gettin'
Anything and everything wrong Well I've always had my trouble
 Lately it's been double
 Somethin' busts my bubble
Keeps me barely floatin' along But those days are behind me
 You ain't gonna find me
Sittin' round, countin' raindrops
 Hey Hey Hey
The sun is shining on my face
And everythin' will be okay
 It's a fact, yeah
 I made it back, and
 This time I'm here to stay
Hey Hey Hey Now the clouds have parted
 Let's get the party started
 Call up the broken-hearted
 Tell 'em that I'm back in town
I'm buyin' the whole place a round Bad days behind me
 My baby beside me
I feel my luck starting to change
 Hey Hey Hey
The sun is shining on my face
And everythin' will be okay
 It's a fact, yeah
 I made it back, and
 This time I'm here to stay
 Hey Hey Hey
The sun is shining on my face Bad days behind me
 My baby beside me
I feel my luck starting to change Hey Hey Hey
 Hey Hey Hey
 Hey Hey Hey
 Hey Hey Hey Hey Hey Hey
The sun is shining on my face
And everythin' will be okay
 It's a fact, yeah
 I made it back, and
 This time I'm here to stay
Hey Hey Hey The sun is shining on my face
And everythin' will be okay

It's a fact, yeah
I made it back, and
This time I'm here to stay
Hey Hey HeyHey Hey Hey
Hey Hey Hey
Hey Hey Hey
Hey Hey Hey
Hey Hey Hey
Hey Hey Hey
Hey Hey Hey
