

# Headsprung

## LL Cool J

They call me Big L'y, Big Silly  
Big Money, Big Billy  
When I'm sliding in them all, can ya hear me?  
I be sexing wit these bars so ya feel me Let me grip it up for cuz in the back  
Let me grip it, get a buzz in ya hat  
I'm a tell ya how to cause an attack  
Timbaland, Ladies Love on the track Lovely get the ice, pop champagne  
Don't forget I used to ride on the train  
When I bump it right, call my name  
Go crazy in the mall wit James Dump that, not ill like me  
Bring the women in to chill for free  
Let me tell ya, girl, don't try me  
You better have I.D. 'cause we be  
When we be up in the club  
We be posting the back  
When we be in the club  
Girl always come to the back Everybody get a head sprung  
Everybody get a head sprung  
Everybody get a head sprung  
Everybody get a head sprung When we be up in the club  
We be posting the back  
When we be in the club  
Girl always come to the back Everybody get a head sprung  
Everybody get a head sprung  
Everybody get a head sprung  
Everybody get a head sprung  
Lord, have mercy, if the broad is thirsty  
I'll have her man reimburse me  
The part that hurts me is when they try to work me  
But I could never let ya jerk me Steady sticking to the wall, give it up  
Sneaking through the back door, live it up  
Got the champagne, pour me a cup  
Got the girls looking raw in the front Got a call, your man's in town  
Tell the bar, "Another round"  
Got all my mans holding me down  
Kinda thick ma, let's get down, so get wit it I'm singing, "What time, wanna dip wit it?"  
Got playas on the grind, wanna skip wit it?  
Backstage you mine, I'm a spit wit it, hey When we be up in the club  
We be posting the back  
When we be in the club  
Girl always come to the back Everybody get a head sprung  
Everybody get a head sprung

Everybody get a head sprung  
Everybody get a head sprung When we be up in the club  
We be posting the back  
When we be in the club  
Girl always come to the back Everybody get a head sprung
