

# Dashes

[Tyler Ward](#)

Maybe one day I'll come back here  
Maybe one day I'll be able, to love you like I should  
I know it looks like I'm running  
I never said that what we had here wasn't good If I don't try now I'll go crazy  
I don't wanna wish that I had when I look back on my life  
There's a feeling I'm chasing  
Feels like what I want on the other side So let me call, give me dashes on the road  
Maybe I'm walking to a place I don't know  
I gotta see how things they turn out  
Cause dreams in this town get  
Called, you'll miss your chances if you're marching in time  
Even if I go alone the least you can give me are dashes on the road See, I never laid eyes on  
And I can't swear there's an answer waiting there for me  
Driving to my horizon that's always been  
Just out of reach, it's just what I need  
If you love me then let me just go Oh, give me dashes on the road  
Maybe I'm walking to a place I don't know  
I gotta see how things they turn out  
Cause dreams in this town get Called, you'll miss your chances if you're marching in time  
Even if I go alone the least you can give me are dashes on the road Yeah, I'm a little scared to  
leave home  
But every time that I close my eyes I know that I must go  
So let me call, give me dashes on the road  
Maybe I'm walking to a place I don't know  
Maybe if things turns out and I finally found my soul  
You'll miss your chances if you're marching in time  
Even if I go alone the least you can give me are dashes on the road Even if I go alone the least  
you can give me are dashes on the road
