

Forever Came Today

Jackson 5

Ever, forever, ever and ever and ever
Ever, forever, ever and ever and ever There you are, standing there
Reaching out for me
Something warm in your eyes
Touched my heart
And all the love I never knew, I found in you Suddenly, my world, my life was standing still
And you touched my hand
I knew that we had laid a plan
For everlasting love, I've been forever dreaming of At last, at last, my forever came today
When you walked into my life
Made my lonely life a paradise
It came today, forever came today
Ooh, look in my eyes and see how much I want ya
Feel my touch, you know how much I need ya
I may be young, but I'm old enough to know
Look at me, I will never let it go Let this moment thrill me a lifetime
Make it last, make it last
Make it last forever Ever, forever
(Make it last forever)
Ever and ever and ever
Ever, forever
Ever and ever and ever Darling, ooh, my darling make me yours
As I touch your face
Tell me love has led me
(Led me)
To this place and your warm embrace
And I want the world to see
How gently love has shined on me
(Shined on me)
Everlasting love
(Everlasting love)
That I been forever dreaming of At last, at last, my forever came today
When you walked into my life
Made my lonely life paradise
It came today, forever came today
It came today, forever came today Ooh, you give me love by the hour
Ooh, you're my precious little flower
Girl, you give me so much sweetness
Ooh, you give my life completeness Make it last for more than just a day
Make it last for more than just an hour
Make it last forever Ever, forever
(Make it, make it last forever)

Ever and ever and ever
(Make it last forever)
Ever, forever
Ever and ever and ever Came, came today, forever came today
I can't lose it, love to hear this song
You've gotta hear your music
Hear your sweet song I don't wanna lose it
I don't wanna lose it I believe we can make it last forever
Oh, I believe, baby, we can make it last forever
I believe we can make it last forever
Don't you believe that we can make it last forever Oh, why don't you believe
That we can make it last forever Ever and ever and ever
Ever, forever
Ever and ever and ever
Ever, forever Ever and ever and ever
