Hold Me Up (NOW What's Next!)

Conrad Sewell

In a minute you can realize you lost it all
In a second you were always there to break my fall
Til you came and saved my life

In the lonely hour

In the lonely hourOh, I'm praying for some help

I can't do it by myself

Need you now

Need you right now

You know there ain't nobody else

Who can save me from this hell

Need you now, need you right nowSo hold me up, oh

I know you'll never let me down

Need you to hold me up

I need someone like you around

So hold me up, oh

Hold me up, no

I know you'll never let me down

Said hold me up, oh

Hold me up, no

I need someone like you around

Can you hold me up?I wanna tell you secrets no one's ever heard before I wanna give you everything, all of my heart and more

'Cause you came and saved my life

In the lonely hour

In the lonely hour

Oh, praying for some help

I can't do it by myself, need you now

Need you right now

So hold me up, oh

I know you'll never let me down

Need you to hold me up

I need someone like you around

So hold me up, oh

Hold me up, no

I know you'll never let me down

Said hold me up, oh

Hold me up, no

I need someone like you around

Can you hold me up?So hold me up

Don't ever let me go, go, go

Don't ever let me go, go, go

Don't ever let me go, go, go

So hold me up Hold me up Don't ever let me go, go, go Don't ever let me go, go, go So Hold me up Hold me up Don't ever let me go, go, go Don't ever let me go, goSo hold me up, oh Hold me up, yeah I know you'll never let me down Said hold me up, oh Hold me up, no I need someone like you around So can you hold me up? Oh, baby Oh, baby So hold me up now I know you'll never let me down Hold me up
