

# Not Butter

Dillon Francis

I cant believe its not butter.  
I love it.  
It tastes great.  
You can put it on bread.  
You can dip your lobster in it.  
You can put it on popcorn.  
You can put it on potatoes.  
You can put it on???  
You can put it on anything.  
You know what,  
I cant believe its not butter.  
Not butter.
