

Love Is a Losing Game

Sam Smith

For you I was a flame
Love is a losing game
Five story fire as you came Love is a losing game One I wish I never played
Oh what a mess we made
And now the final frame
Love is a losing game Played out by the band
Love is a losing hand
More than I could stand
Love is a losing hand Self professed, profound
Till the chips were down
know you're a gambling man
Love is a losing hand
Though I battle blind
Love is a fate resigned
Memories mar my mind
Love is a fate resigned
Over futile odds
And laughed at by the gods
And now the final frame
Love is a losing game
