Monica

It's funny how the tables turn, turn, turn, turnSo upset
This that hot new
Uh huh

New MonicaIt's funny how the tables turn now its you running after me
Didn't wanna spent quality time, didn't think I would ever leave
You got way to comfortable, now you say you want me in your life
Cuz I packed up all my shit and im moving in my new place tonight
So don't you comeKnock Knock Knock
Stop knocking don't come knocking at my door
Ring Ring Ring
Let the phone stop I don't want you calling me no more
Boy it's a dangerous game to try and play a chick like me
Wanna go out and do your thang I will be out for ya count to three
So do just what you want, anytime that you really like
I put a payment on my place, you be sleeping alone tonight
So don't you come knockingKnock, Knock, Knock
Stop knocking don't come knocking at my door
Ring Ring Ring
Let the phone stop I don't want you calling me no more
'
I used to be so gone
You were some one I could lean on
My life support system
And I thought I couldn't breathe ah ah
When you used to leave yep yep
I see you put yo clean on
Big chains gold teeth and yo gleam on
All night wanna be gone
Wanna tell me stay home like I got a ah ring on
Now you say im not your wife right right
So why should I be chillin goodnight goodnight
Now pack up my things for a flight
I got a place and it's fixed up nice
So don't come knocking at my door
I got company comin around four
So wo wo
I don't want you calling me no more
Knock Knock Knock
Stop knocking don't come knocking at my door
Ring Ring Ring
Let the phone stop I don't want you calling me no moreChanged my locks

Took my things
Cant come in
Changed my locks
Took my things
Cant come in
I don't want you calling me no moreHey this Monica leave a number after the beep
Aye yo Mo pick up the phone man,
this old raggedy cellular phone sound like an old alarm clock
old switch board line phone.
Do you even have call waiting on this joint.
Call me back ya late for the studio, this Miss.
