## **Baby Don't Lie**

## **Gwen Stefani**

We've been walking down this road some time
And you love, and you love me good, no lie
But there's something behind those eyes, those eyes
That you can't, that you can't disguise, disguiseBaby don't, baby don't

Baby don't lie I don't wanna cry no longer

Baby don't, baby don't

Baby don't lie

I'mma need a love that's stronger

I tell you know, I tell you know

I tell you know, why

Know, why

If you ever give up, then we're gonna die Now we're in the out, baby don't lie

Baby don't lieWe've been walking down this road some time

And you love, and you love me good, no lie

But there's something behind those eyes, those eyes

That you can't, that you can't disguise, disguiseBaby tell me there's nothing but love Baby tell me there's nothing but loveBaby don't, baby don't

Baby don't lie

I don't wanna cry no longer

Baby don't, baby don't

Baby don't lie

I'mma need a love that's stronger

I tell you know, I tell you know

I tell you know, why

Know, why

If you ever give up, then we're gonna die

Now we're in the out, baby don't lie

Baby don't lieWhat you hiding boy?

What you hiding boy?

I can tell what you've been hiding boy

And you can tell me if I'm getting warm

Am I getting warm?

Am I getting warm?

Am I getting warm?

And you can tell me if I'm getting warmBaby don't, baby don't

Baby don't lie

I don't wanna cry no longer

Baby don't, baby don't

Baby don't lie

I'mma need a love that's stronger
