

# When Will I See You Smile Again?

Bell Biv DeVoe

I'm so sorry, baby  
I never meant to hurt you  
Please forgive me Tears, I see drop from your eyes  
Tell me why you cry  
Guilt, I feel when you look at me  
Did I let you down? Girl, you see that I  
I apologize  
Tell me what to do  
To get through to you Girl, it's not the same  
I know I was to blame  
Just tell me when will I  
See you smile again?  
Tell me when will I see you smile again?  
'Cause I know I messed up, baby  
And I know you're fed up, sugar Tell me when will I see you smile again?  
'Cause I know I messed up, baby  
And I know you're fed up, sugar Promises, I know I made many times before  
And I broke each one of them  
But I had to learn over and over again  
Don't hurt the one you love Girl, you see that I  
I apologize  
Tell me what to do  
To get through to you Girl, it's not the same  
I know I was to blame  
Just tell me when will I  
See you smile again?  
Tell me when will I see you smile again?  
'Cause I know I messed up, baby  
And I know you're fed up, sugar Tell me when will I see you smile again?  
'Cause I know I messed up, baby  
And I know you're fed up, sugar Look baby, listen  
Please forgive me for all the wrong I've done  
You see, I just can't understand  
Why I keep making this same damn mistake  
Over and over again  
But there's one question that remains in the back of my mind, love  
And that is  
When will I see you smile again? Tell me when will I see you smile again?  
'Cause I know I messed up, baby  
And I know you're fed up, sugar Tell me when will I see you smile again?  
'Cause I know I messed up, baby  
And I know you're fed up, sugar Tell me when will I see you smile again?

'Cause I know I messed up, baby  
And I know you're fed up, sugar Tell me when will I see you smile again?  
'Cause I know I messed up, baby
