I Need Your Love (feat. Ellie Goulding)

Calvin Harris

I need your love I need your time When everything's wrong You make it right I feel so high I come alive

I need to be free with you tonight

I need your loveI need your loveI take a deep breath every time I pass your door I know you're there, but I can't see you anymore

And that's the reason you're in the dark

I've been a stranger ever since we fell apart

And I feel so helpless here

Watch my eyes are filled with fear

Tell me, do you feel the same?

Hold me in your arms againI need your love

I need your time

When everything's wrong

You make it right

I feel so high

I come alive

I need to be free with you tonight

I need your loveI need your loveNow I'm dreaming, will I ever find you now?

I walk in circles, but I'll never figure out

What I mean to you, do I belong?

I try to fight this, but I know I'm not that strong

And I feel so helpless here

Watch my eyes are filled with fear

Tell me, do you feel the same?

Hold me in your arms againI need your love

I need your time

When everything's wrong

You make it right

I feel so high

I come alive

I need to be free with you tonight

I need your loveI need your loveAll the years

All the times

You have never been to blame

And now my eyes are open

And now my heart is closingAnd all the tears

All the lies

All the waste

I've been trying to make a change
And now my eyes are openI need your love
I need your time
When everything's wrong
You make it right
I feel so high
I come alive
I need to be free
