

# Won't Turn It Down (feat. Chris Brown)

## Jacquees

Give me your number,  
Do you want me to call you?  
Girl, I want you, like an alcoholic  
I'm so drunk, I'm so drowned  
Put you in a cup, let me pour 'dat up!  
That Cali weed, roll it up, roll it up!  
Now I've been thinking 'bout the things  
That we gon' do tonight  
Thinking 'bout the games I'm a play with you tonight  
Wanna go first? Take off!  
If I bring you to the plate, will you play ball?  
I'm a hit it hard like a paintball  
A soldier I'm 'bout to go AWOL  
She wanna play? I'm a let her ride, ride, ride it!  
All day, I'm a let her try, try, try, yeah!  
Get ready! On your mark, get set, go! (set go!)  
When I'm flaming in it I'm a do the breast stroke  
Let's go! She told me, sing another love song please  
She got her hands on me  
Like "baby, I need Jacquees"  
Girl, it ain't nothing in this world for free  
I gotta put it down before I wear the crown  
(I won't turn it down, down) no! Baby, turn up! With this AK, I'm ready to bust now  
I won't turn it down! Oh no!  
Look, they say you are what you eat  
Fuck that! You are who you feed  
A list, the pussy the greatest  
When I'm going raw dog, nigga, fuck a plan B!  
Understand me? I got her singing them high notes  
She holding my Grammy  
A nigga like a laundry mat  
When I'm eating them panties  
Come from the A, but she live in Miami  
All the bitches in Hollywood, get this molly wood  
Week days be jumpin'  
But the weekend, bring the freaks in  
I need a bitch straight up outta Brompton  
Bees up, what up 5?  
White vita and them all red 5's  
Kill the pussy, I deal the pussy  
And girl I'm 'bout to make that ass come alive!  
How you make it do that?

Gon' and ride this wave bitch, like a du-rag  
Zero to sixty through your neighborhood  
Shout out to the homies with blue flags  
This new jag, got new tags!  
On top nigga, where you at?  
You wanna tell me how to act, huh?  
Nigga, this my movie! She wanna play  
I'm a let her ride, ride, ride it!  
All day, I'm a let her try, try, try it!  
Get ready, on your mark, get set go!  
When I'm swimming in that, I'm a do the breast stroke  
She told me, sing another love song  
please  
She got her hands on me  
Like "baby, I need Jacques"  
Girl, it ain't nothing in this world for free  
I gotta put it down before wear the crown  
(I won't turn it down, down) no! Baby, turn up! With this AK, I'm ready to bust now but,  
I won't turn it down! If you give it up, that's when we gon' fall in love  
Give it up, that's when we gon' fall in love Give it up, give it up (yeahhh!)
